- (a) Domain Experts (with same requirement as 'Recognized Teachers' in the current ordinances)
- (b) Experts from industry with same requirement as adjunct faculty in the earlier ordinances. For conducting an Instructional course (full or part thereof)

Due to exigencies in faculty availability and/ or to provide specific specialized inputs, Adjunct Faculty are invited to teach a major part or all of a normal course. The identification of the Adjunct faculty will be the responsibility of the concerned Areas in consultation with the concerned Department Head with the approval of the Vice Chancellor. The rate of honorarium and other terms shall be as decided by the VC/ University Administration.

Note: Any other regulation of statutory bodies such as BCI, RCI, NCTE, etc. shall apply for the appointment of teachers in the concerned school/department, wherever necessary. Normally standards laid down by UGC will not be violated and provisions of other bodies will apply only if they prescribe standards higher than UGC.

## [Ph.D Thesis Evaluation Form]

Please evaluate the PhD Thesis' different aspects using the following scale: unsatisfactory satisfactory, good, very good, excellent. The qualification of 'excellent' should only be given for a PhD Thesis in the top 2% of the research in your field of expertise. A rating of excellent may also be a reason for awarding 'with distinction'. Extra space has been given with each evaluation to allow for a more detailed explanation of your rating, which would be much appreciated.

| Evaluation:    | Indication of frequency  | Indication of quality |
|----------------|--|-----------------------|
| Unsatisfactory | Candidate will not be allowed to defend the thesis<br>20%<br><br>80% |                       |
| Satisfactory   |  |                       |
| Good           |  | Top 80%               |
| Very Good      |  | Top 10%               |
| Excellent      |  | Top 2%                |

This evaluation will be made available to the Registrar only and will be used by her/him when the committee ascertains the qualification of the PhD candidate, as will be stated in the degree classification. Only when aspects of the thesis are unsatisfactory specific comments from the examiner will be made know to the supervisor (see below).
