

# Gautam Buddha University

---

Established by the Uttar Pradesh Gautam Buddha University Act 2002, UP Act No. 9 of 2002

## Summary Report of the Academic Session 2016-17 and 2017-18

### General Information

Gautam Buddha University, established by the Uttar Pradesh Act (9) of 2002, commenced its first academic session at its 511 acres lush green campus at Greater Noida in August 2008. The University is fully funded by the New Okhla Industrial Development Authority (NOIDA) and the Greater Noida Industrial Development Authority (GNIDA), the undertakings of the Government of Uttar Pradesh. The University is recognized by the University Grants Commission under UGC Act and is a member of the Association of Indian Universities.

### Vision

“A globally acclaimed integrated academic and research institution that creates a vibrant community of intellectuals and entrepreneurs endowed with Character, Creativity, Competence and Commitment, who can inspire meaningful transformations to ensure holistic growth and development of the society.”

### Mission

The Mission of University is expressed through the following goals;

- To generate a community of scholars who can manage continuity and change.
- To seek and incorporate the best practices in teaching and learning from around the world.
- To inculcate in the learners due appreciation for ethical, ecological and economic issues of knowledge.
- To provide knowledge based scientific solutions to satisfy the need of society and industry.
- To ensure an academic environment that guarantees avenues for all historically excluded sections of the society.

### Schools of Studies

The University envisions to become a world class centre for excellence in education with a special focus to serve the under

privileged and economically challenged sections of the society. The campus is modelled as a fully residential educational campus in line with the best institutions of higher learning across the globe. In order to promote value-based education, research and training, the University has established eight schools of studies, which are:

1. **School of Management**
2. **School of ICT**
3. **School of Biotechnology**
4. **School of Engineering**
5. **School of Vocational Studies & Applied Sciences**
6. **School of Humanities & Social Sciences**
7. **School of Buddhist Studies & Civilization**
8. **School of Law, Justice & Governance**

Each School of studies in the University combines a multilateral confluence of academic training, research, innovation and creativity. The Schools and Centres of Excellence are embodiments of the University's ever-growing quest for excellence in higher education and research. All the Schools and the Centres are in synchrony with the essence of our predominant Buddhist Ethics and Practices in the modern context. All the eight Schools of the University work in perfect harmony for accomplishing the objectives of attaining excellence in education and training. The curriculum and pedagogy are interdisciplinary in nature, giving a wide spectrum of exposure to students and scholars. Research and innovation, being one of the major thrusts of the University, are ways to assert our presence and productive contribution in academic world. The mission of the University is accomplished by its skilled and trained faculty members, drawn from national and international institutions of repute. The University has been capitalizing and thriving on its intellectual resources and has produced quality Research Theses, Research Articles, Text Books, Reference Books, Reviews, etc.

The University promotes research initiatives, projects, collaborative ventures, training workshops for hands-on practices. In addition to classroom teaching we have been consciously involved in producing industry ready professionals. In order to take forward this resolution we have signed MoU with the National Skill Development Corporation (NSDC) and offer various modules in Engineering and Management. Looking at the demand of the industry we have introduced Bachelor in Vocational Studies from the next academic session. In addition to existing laboratories we have added 16 new labs in the year of reporting to promote research and innovation. These labs are equipped with state of the art infrastructure and instruments, contributing meaningfully in qualitative research and training. We are also engaged in developing industry-academia interface through our active Corporate Resource Cell.

We firmly believe that the growth of an individual should be a fine blend of both academics as well as a value-based extra-curricular

growth with a sense of responsibility towards society and the nation at large. In this regard, the Sports Council and the Cultural Council of the University work and promote this unified vision through their various activities and programmes. The *state of the art* sports infrastructure at the university kindles the promise among aspirant to perform their calibre and reform their competence, and translates these virtues in their professional innings. Every year we organize the annual sports meet '*Shoryotasva*'. In order to inculcate aesthetic and cultural values, our Cultural Council promotes various clubs with major thrusts on art , debating activities, dramatics, literature, photography, programming, adventure social service, and robotics etc. by organizing an annual cultural fest called '*Abhivyanjana*'.

**Academic Programmes:** All the eight Schools of the University work in perfect harmony to accomplish its objectives of attaining excellence in education and training. These Schools of Studies offer Undergraduate, Post Graduate, M. Phil. and PhD programmes in various disciplines such as, Management and Decision Sciences, Applied Sciences, Engineering and Technology, Information and Communication Technology, Biotechnology, Humanities and Social Sciences, Buddhist Studies, Law and Governance, etc. The curriculum and pedagogy are interdisciplinary in nature, giving a wide spectrum of intellectual exposure to students and scholars.

**Recognitions** The academic programmes offered by the University are recognised by the University Grants Commission of India and various other Statutory Bodies, Councils, whichever are applicable in individual cases.

- a. **Recognition by the University Grants Commission of India (UGC):** Gautam Buddha University is recognized by the University Grants Commission of India vide **F.9-18/2009 (CRP-I)** dated 13 May 2009 **under section 2(f) of UGC Act 1956.** Through this the University has been empowered to award degrees as specified by UGC under section 22 of the UGC Act 1956 at its main campus with the approval of Statutory Councils, wherever required.
- b. **Recognition and Inclusion by the University Grants Commission of India (UGC) under section 12 B of the University Grants Commission, UGC ACT 1956.**
- c. **Association of Indian Universities Membership:** The University has been granted membership of the Association of Indian Universities.
- d. **Approval by the Bar Council of India:** The School of Law, Justice, & Governance administers a five years Integrated B.A. LLB programme. This Programme has been approved by the Bar Council of India.
- e. **Approval by Rehabilitation Council of India:** The Department of Psychology & Mental Health, School of Humanities & Social Sciences offers M. Phil. (Clinical Psychology), 2 years Programme which is recognized by the Rehabilitation Council of India.

- f. **Approval by the Council of Architecture, India:** The Department of Architect & Planning, School of Engineering offers B.Arch. and M. Arch. Programmes in Architect and Planning. This programme is recognized by the Council of Architecture, India.
- g. **ISO 9001: 2008 Certification of the University:** Gautam Buddha University has been accredited jointly by Joint Accreditation System of Australia & New Zealand (JAS-ANZ), vide **1015QBC26** after accessing and finding confirmation to the requirements of ISO 9001: 2008.

## Intellectual Capital

The incessant efforts and untiring quests for creating knowledge by the University get complemented by prolific production of research papers, innovation output, and creativity of our faculty members. We have produced a sizeable number of research papers in reviewed journals; monographs; books with ISBN; chapters in books; edited books; articles listed in International database. The process is on and we are meaningfully contributing with our research and innovation in higher education and training. The University has produced quality Doctoral Theses and has registered two patents so far. The University has been administering a total of 25 Sponsored Research Projects funded by different agencies of Govt. of India such as CSIR, DST, DBT, ICMR, SERB etc.

Our faculty members are recognized and awarded fellowships by reputed international bodies, funding agencies, institutions of repute. Some of the fellowships granted to the faculty members of the University by such bodies and institutions, some of them are given below:

- *Fulbright Nehru Postdoctoral Fellowship,*
- *Fellowship by the Indian Academy of Science (IAS),*
- *National Academy of Science,*
- *India (NASI) Summer Teacher Research Fellow in Department of Biochemistry, Indian Institute of Science, Bangalore,*
- *Endeavour Research Fellowship by the Government of Australia for Post-Doctoral Research Fellowship;*
- *Student Fulbright Scholarships etc.*

## Infrastructure

Gautam Buddha University has an integrated campus spread over 511 acre lush green residential campus, which is an architectural marvel and has the following infrastructure facilities:

- **30% green area with total built up campus area 55 lacs sq.fts,**
- **Central Library** with total built up area 1.8 lacs sq.fts. with 2000 seating capacity,
- **An Administrative Building and Eight School Buildings,**
- **Central Auditorium:** Apart from four auditoria located in the School buildings with approximately 300 seating capacities each, the newly constructed state-of-the-art Central Auditorium with a capacity of 2700 is equipped with all kind

of advanced audio-video systems. Apart from the main auditorium hall, this building houses three mid-size conference rooms, committee rooms, elaborate corridors, and multipurpose open areas. The auditorium building was made operational in April 2015 after Hon'ble Chief Minister and the Chancellor of the University inaugurated this facility. Since then this facility is available for the academic as well as extracurricular activities at the University campus.

- **Mahatma Jyoti Ba Phule Vipassana Dhyaan Kendra:** The Meditation Centre, inspired by stupa architecture is a learning retreat centre to give an experience of the power of peace and inner silence. The centre organizes seminars, lectures and experiential workshops in meditation, positive values, stress free living and self management. It aims to help the residents at campus in recognizing their own inherent qualities and recollect their inner most potential.
- **Eklavya Sports Complex:** The University promotes multi dimensional growth with emphasis on an integrated physical and intellectual training. The Eklavya Sports Complex spread over 58 acres with indoor and outdoor stadium of global standards, equipped with state-of-the art sports facilities shapes health and sports aspirations of the students. It has an Olympic size swimming pool with an additional practice track and a world class gymnasium. Facilities that comprise various games and sports facilities are given as under:
  - a. **Outdoor Sports Facilities**
    1. Cricket stadium with 650 sitting capacity Pavilion.
    2. Hockey Astro-turf stadium with 650 seating capacity Pavilion.
    3. Synthetic Athletic Cum Soccer stadium with 650 seating capacity Pavilion.
    4. Practice Arena for Athletic and Soccer
    5. Swimming pool (25 X 50 Meter) with Spectators Arena.
    6. Synthetic Basketball Arena with flood light facility.
    7. Synthetic Volleyball Arena with flood light facility.
    8. Synthetic Tennis Arena with flood light facility.
    9. Cricket Practice Pitches.
  - b. **Indoor Sports Facilities**
    1. Table Tennis
    2. Badminton
    3. Squash
    4. Gymnasium
    5. Wrestling
    6. Billiards & Snooker
    7. Weight Lifting
    8. Boxing
    9. Basketball

10. Volleyball

11. Tennis

- **Open Air Theatre**, with 3000 seating capacity
- **Mahamaya Shanti Sarowar**, a water body spread over 1Lac sqft area,
- **Panchsheel Avasiya Parisar for Faculty and Staff Members:**  
The University is a fully residential campus and provides accommodation to all faculty and staffs members. All the houses are equipped with the facilities of power backup, hot & cold running water, intercom & internet services, fire alarm services, and block specific parks and garden.
- **01 BHK Transit Hostel for 156 Married Research Scholars:**  
Apart from the hostels for students on campus, the University has created a separate complex with 156 accommodations of one bedroom apartments with living-dining room, toilet and kitchen. This accommodation has been created for married research scholars enrolled in various full-time Doctoral Degree Programmes. Fee and other charges for MRSH are applicable as per the University policy in effect.
- **18 Hostels with single occupancy for 5000 students:** The University has separate hostel accommodations for boys and girls with 5000 single seated hostel rooms and complete wi-fi premises. These hostel complexes have state of the art facilities. To enable the students to spend quality time in the University, each hostel is equipped with a common room, T.V. Room, Table Tennis Room, Reading Room, Indoor Games Room, Gymnasium, Badminton Courts and Basketball Court. Each room in the hostel is provided with an internet connection. In addition to this each hostel houses a medical room and a visitors' room. All the hostels are supported by the solar heating system which helps in the supply of hot water in winters.
  1. Savitri Bai Phule Women's Hostel,
  2. Rama Bai Ambedkar Women's Hostel,
  3. Mahamaya Women's Hostel
  4. Rani Laxmibai Women's Hostel
  5. Mahadevi Verma Women's Hostel
  6. Ismat Chughtai Women's Hostel
  7. Shri Chhatrapati Shahuji Maharaj Men's Hostel,
  8. Shri Narayan Guru Men's Hostel,
  9. Sant Ravi Das Men's Hostel,
  10. Sant Kabir Das Men's Hostel,
  11. Birsa Munda Men's Hostel,
  12. Guru Ghasi Das Men's Hostel,
  13. Malik Mohd Jaysi Men's Hostel
  14. Rahim Men's Hostel
  15. Tulsi Das Men's Hostel
  16. Munshi Premchand Men's Hostel
  17. Ram Sharan Das Men's Hostel

18. This Men's Hostel is ready and to be functional soon.

- **International Convention Centre and University Guest House:** The convention centre of the university is a true global platform for intellectual exchanges. The centre hosts a number of programmes, activities, and engagements. An impeccable infrastructure keeps it ahead of the best available in the class. The centrally air conditioned building has state of the art convention centre, conference halls, committee rooms, more than 40 rooms and suits and a huge central hall. In addition to International Convention Centre, the University Guest House situated adjacent to the Convention Centre houses 100 well furnished rooms with huge open area and a lush green lawn.
- **Shopping Complex and Utility Centres:** This complex houses a Bank, Post Office, Dispensary, Clinical Psychology OPD, Mother Dairy Milk Parlour etc.
- **Faculty Club:** Apart from the central sports facilities in its sports complex and local facilities available in the hostel premises, the University has also constructed a Faculty Club. The faculty club is equipped with the facilities of Badminton, Table Tennis, Billiards and Snooker, Squash, Gym, Swimming Pool, Yoga and other recreational and other sports facilities.
- **An Environment Friendly Clean and Green Campus:** Global warming is a larger issue and requires global response. With emphasis on environment and ecological equilibrium, the University has developed a lush green campus spread over 511 acres with approximately 127 acres of green area in which more than 50,000 trees are planted. As it is believed, trees are of continued importance to the environment for their emotive power and their importance to other forms of life, the horticulture plan and plantation drive of the University attribute mainly to the ecological aspects, such as Soil Erosion, Wind Filtration, Temperature Control, Green Atmosphere, and Retention of Water Level. The external fencing of the University is marked with hundreds of Bodhi Trees that bear immense significance in Buddhist Civilization and harmony. The Bodhi Tree strip runs uninterrupted on the entire circumference of the external campus fencing, parallel to the green belt with all kinds of flora and vegetation. Apart from these green strips, a beautiful and rich green landscaping is coming along with buildings, walking track, huge lawns, and water bodies.
- **500 kilowatt Capacity Roof Top Solar Energy Plant Starts Operating:** A 500 kilowatt Capacity Roof Top Solar Energy Plant started operating in 2015 on the campus. The plant was inaugurated by Hon'ble Chief Minister and the Chancellor of the University in April 2015. The plant has been installed on three School buildings which are School of Management, School of Information and Communication Technology, and School of Law, Justice, and Governance. The plan for extension of this plant claims to have 03 Mega Watt potential on remaining roof tops of the University buildings. The project is in progress and in

coming future the University will be able to generate 03.50 Mega Watt of solar energy. Apart from this plant, 170 Faculty and Staff Housing Units and 08 Hostel buildings have solar energy operated Water Heating System that ensure hot running water supply in winters.

## Other Developments

In order to keep the estate of the University in order, we have created a separate maintenance department that consists of civil, electrical, and horticulture wings. There are seven technical staff members including one assistant engineer and one junior engineer. The department is headed by the Director, Work.

- In addition to the existing laboratories in various Schools of Studies, we have established 16 new labs recently to promote research and training in the following areas:
  1. Chemistry - 3 Labs
  2. Food Technology - 4 Labs
  3. Environment Sciences - 3 Labs
  4. ICT - 6 Labs
- New indoor sports stadium has been made functional which has a central main hall of 39 mt. x 60 mt. size. The stadium has facilities of following activities-
  1. Badminton
  2. Basketball
  3. Volleyball
  4. Squash
  5. Wrestling
  6. Gymnasium
  7. Boxing
  8. Judo / karate
- Serving the needs of our social commitment, we have created equal accessibility to all our building and locations for the differently-abled people on campus.
- We have created a approximately 6 km long cycle track to minimize emission and pollution and develop healthy habits on campus.

## Activities of 2017-18

Apart from the regular teaching, research; and publication of papers, books, monographs and volumes; the University accomplished the following curricular, extracurricular activities, and academic outreach initiatives:

### 1. International/National Conferences

- a. International Symposium on ***“The Mahasatipatthana Recitation: The Four Foundations of Mindfulness”*** at Gautam Buddha University, Greater Noida in association with the Light of Buddha Dharma Federation International (LBDFI), USA and International Buddhist Confederation, New Delhi on November 5, 2017 at Jyotiba Phule Dhyana Kendra, GBU. Delegations of more than 50 participants

from 12 countries have participated along with foreign students of Gautam Buddha University

- b. The 44<sup>TH</sup> National Annual conference of Indian Association of Clinical Psychologists -2018 (naciacp-2018) on the theme of “Role of Clinical Psychologists in Mental Health Advocacy: Challenges & Perspectives in Global Scenario” was organized by Department of Psychology and Mental health, Gautam Buddha University from 23<sup>rd</sup> to 25<sup>th</sup> Feb, 2018 and also celebrated the golden jubilee year of IACP on this occasion. A total number of 1400 delegates marked the inaugural session, attended as well as participated in the 3-day conference.
- c. Gautam Buddha University hosted the 3<sup>rd</sup> International Conference on Nanotechnology for Instrumentation and Measurement [NANOfim 2017] in India during 16<sup>th</sup>-17<sup>th</sup> November 2017. NANOfim is a reputed conference under IEEE umbrella. It was organized by IEEE Gautam Buddha University Student Branch under technical sponsorship of IEEE Nanotechnology Council and IEEE Instrumentation and Measurement Society. The conference was supported by various Government and Non-government Organizations such as DST, Powergrid Corporation of India Ltd., UPCST, YEIDA, and ONGC etc.

**2. 22<sup>nd</sup> National Youth Festival of India 2018:** The University hosted 22<sup>nd</sup> National Youth Festival 12 January-16 January 2018 organized annually by the Ministry of Sports, Youth and Culture, Government of India. The festival was inaugurated by Hon’ble Prime Minister Shri Narendra Modi and was presided over by Hon’ble Chief Minister of Uttar Pradesh Shri Yogi Adityanath. The ceremony was attended by Hon’ble Minister of Tourism and Culture, Dr. Mahesh Sharma and Hon’ble Minister of Sports, Youth and Culture Shri Rajyavardhan Singh Rathore. The festival witnessed delegates and participants from all states of India.

**3. Social Impact Assessment (SIA) Report for Jewar Airport 2018:** The University was entrusted by the Government of Uttar Pradesh for carrying out Social Impact Assessment for the development of International Airport near Jewar, Gautam Budh Nagar, Uttar Pradesh. The International Airport near Jewar is proposed to be developed as an Aviation Hub which is conceived to provide all the modern, efficient and hi-tech facilities designed with large land reserves around it with clear master plan for continued phased development into the future. The airport area when fully operational is expected to have Aero and Non-Aero activities along with MRO facilities. In the first phase of development, total of 8 villages (Siwara (Mukimpur),

Banwari Bas, Ramner, Kishorpur, Rohi, Parohi, Ranhera and Dayantpur) are proposed to be acquired.

**4. Beginning of Material Testing and Consultations:**

Department of Civil Engineering, SOE has taken an initiative by starting the consultancy work in the Department for interaction with industries in order to strengthen the industry academic association. Major thrust areas of consultancy are:

- Material/sample testing in various labs namely Concrete Lab, Soil Mechanics Lab, Transportation Lab, Environmental Engineering. Lab,
- Proof checking of the Structural Design and Drawings,
- Vetting of Structural Design and Drawings,
- Mix Design

Major clients for whom consultancy work has been done are YEIDA, ADA, GDA etc. to name a few. The Department is in the process of expanding its academic horizon by focusing on several other areas of expertise to meet out the requirements of industry through R &D.

**5. Inclusion in 12 B of the UGC ACT 1956:** In a significant development, Gautam Buddha University was **recognized and included by the University Grants Commission of India (UGC) in section 12 B of the UGC ACT 1956 vide F. No. 9-18/2009 (CPP-I/PU)** on 17 February 2018.

**6. The NAAC Accreditation** of Gautam Buddha University is under process and all the initial formalities in terms of acceptance of Self-Assessment Report, Evaluation, Fee Submission and approval for physical inspection have been completed. The visit of the inspection team may be scheduled in near future.

**7. Industry-Academia Meet 2018:** An Industry Academia Meet was convened on 19 March 2018 in the University to receive qualitative input and patronage of Industry Professionals in line with our incessant efforts of enriching our research and training. This meet was attended by more than 40 representatives of leading organizations such as LG Electronics India Pvt. Ltd., Samsung India Electronic Pvt. Ltd., New Holland Fiat (India) Pvt. Ltd., HCL Info System Ltd., Vivo Communication Technology Co. Ltd., LAVA International Ltd, and Honda Cars India Ltd.

**8. Alumni Meet 2018:** A grand Alumni Meet was organized at the International Convention Centre, on 25 November 2017. The event was much appreciated by all the participants including the Alumni, the faculty and staff as well as the current student who had worked hard to organize the event. The meet was not just an official

function but also a warm friendly gathering, as the alumni were made to play games. The students screened various elements of surprise for the Alumni videos depicting growth and changes since the alumni left the campus. The alumni were seen advising and counseling the passing out students and exchanging ideas and their contacts for future reference. Our students eagerly gained insights from their seniors.

**9. Placements 2017-18:** The Corporate Relations Cell achieved a fairly good number of placements in last year drive which is still continued till date. A total of 78 out of 135 students (74%) have already been placed in the industry with the highest package of Rs. 15, 00,000/- pa in IT industry and a total of 55 out of 103 students (60%) are placed in Management with the highest salary package of Rs. 7, 50,000/- pa. The placement drive is still continued and we expect the remaining students to be placed in respectable positions in the industry in near future.

**10. Shouryotsv: Annual Sports Meet 2018:** The 9<sup>th</sup> Annual Sports Meet *Shauryotsva* 2018 was organized on 9<sup>th</sup> and 10<sup>th</sup> February, 2018 which witnessed an overwhelming participation of 2283 boys and 724 girls in various Sports Activities such as Badminton, Basketball, Chess, Cricket, Football, Volleyball, Kabaddi, March Past, Table-Tennis, Tug of War, Squash Racket competition etc. and track and field events such as 100 m. Run, 200 m. Run, 400 m. Run, 800 m. Run, 1500 m. Run, 110 m. Hurdle, 400 m. Hurdle, 4 x 100 m. Relay. Long Jump, High Jump, Shot Put, Discus Throw, Javelin Throw etc. *Shauryotsav*, annual sports meet aims at motivating students participate and add physical extensions to their intellectual quests. Various competitions in *Shauryotsav* are arranged to further inculcate the students with the morals.

**11. Abhivyanjana: Annual Cultural Meet 2018:** Gautam Buddha University has a cultural Council which promotes various clubs such as Art Club, Debating Club, Dramatics Club, Literary Club, Photography Club, Hobbies Programming Club, Adventure Club, Social Service Club, and Robotics Club work under the Cultural Council. University Cultural Council through its various clubs keeps on organizing different cultural fest and activities throughout the year. The activities range from classical plays, Oratory sessions, Music and dance nights. *Abhivyanjana* 2018, the cultural fest of the University was held on 20-21 April 2018. Over more than 50 competitive and various non-competitive events witnessed overwhelming participation and audience response. The

fest culminated into a *soulful sufi* concert by Nizami Bandhu on 21 April 2018 evening.

**12.Dawat-e-GBU: Food Festival 2018:** *Dawat-e-GBU:* Food Festival 2018 was organized on 14<sup>th</sup> March 2018 on the Grand Walk area. The students of the University put up 58 *Fun and Food* stalls which attracted a huge response from students, faculty and staff members. It was a perfectly enthralling assemblage of food, fun and entertainment. Our international students also put up four stalls presenting food and culinary heritage of Yemen, Myanmar, Vietnam, and Cambodia.

**13.Eco-Cart 2018:** The University organized the fifth edition of a pan India competition *Eco Kart 2018* to bring and enhance good engineering approach and practice for graduating and diploma students in engineering during 24<sup>th</sup>-28<sup>th</sup> march 2018. A total of 25 teams from 17 states participated in the competition, which was about designing and fabricating an Eco-Kart in extremely low budget followed by a competition of the selected teams. Eco Kart 2018 also encouraged students adopting new fuel alternatives and contributing meaningful conceptualization of *Make in India* initiative. Eco Kart 2018 is part of a National Initiative known as Eco Kart Series. Eco Kart 2018 favors Green Engineering Concept, Promoted by Eco Kart Series. The Main Aim of the competition is to reduce the usage of organic fuel powered Vehicle and to design a vehicle which works efficiently in the growing fuel Area i.e. Electric powered Vehicle. This will not only save the Organic Fuel but also help students to work on zero pollution rides and future fuel.

**14.Academic Outreach and Extensions:** The Department of Psychology & Mental Health, SHSS, Gautam Buddha University in collaboration with Brain Wave Sciences, Inc., USA, has setup the Brain Fingerprinting Machine & Brain Fingerprinting Laboratory at the Department of Psychology & Mental Health. A Memorandum of Understanding (MoU) was signed between the Gautam Buddha University, (GBU), Greater Noida and Brain Wave Science, Inc., (BSW), USA on 22 Nov, 2017 to establish the BFT laboratory and setting up the BFT machine at the department costing around Rs. 3 crores.

**15.Training Programme:** In the light of above MoU, the Department of Psychology & Mental Health organized a four days' training programme on Brain Fingerprinting Technology from 19 Dec to 22Dec, 2017. The training programme was inaugurated on 19<sup>th</sup> Dec, 2017 where a number of senior officials of law & enforcement agencies

participated in the training along with the faculty members of the department. The said training programme primarily focused on making the faculty members and aspired officials equipped with required skills to run the BFT machine and to inspire them for innovative researches in the area of brain fingerprinting.

**16. Training Programme:** The department of Psychology & Mental Health, SHSS, Gautam Buddha University conducted training on Stress Management and Brain Finger printing technology for the police personnel of G.B. Nagar on 28<sup>th</sup> April, 2018. A total of 170 police personnel including investigating officers, SHO, CO, and ASP level senior police officials participated in the training and marked it grand success.

## Research Projects

The University has been administering a total of 25 Sponsored Research Projects funded by different agencies of Govt. of India such as CSIR, DST, DBT, ICMR, SERB etc. as per the following details.

S.N.	Name of the Project	Name of the PI	Funding Agency	Current Status
1.	Development of Pure Lines of Indian Cotton Cultivar(s) for the Trait of In Vitro Regeneration	Dr. Bhupendra Chaudhary	CSIR, India	Ongoing
2.	Genetics of <i>In vitro</i> regeneration through somatic embryogenesis in cotton ( <i>Gossypium hirsutum</i> L. cv. Coker 310)	Dr. Bhupendra Chaudhary	DST, India	Completed
3.	Introgression of Regeneration Character into Elite Indian Cotton Cultivars	Dr. Bhupendra Chaudhary	CSIR, India	Completed
4.	Spatiotemporal Manipulation of Profilin Gene Family in Cotton Fiber Cells for Increased Yield and Quality	Dr. Bhupendra Chaudhary	DBT, India	Completed
5.	Target Mimicry-Based Silencing of microRNA167 Gene Family Targeting Auxin Response Factors (ARFs) Gene Expression During Cotton Fiber Development	Dr. Bhupendra Chaudhary	DBT, India	Ongoing
6.	Root-Specific Reduction of Cytokinin for Enhanced Root Growth and Drought Tolerance in oilseed mustard ( <i>Brassica juncea</i> L. cv. Varuna)	Dr. Bhupendra Chaudhary	SERB- DST, India	Ongoing
7.	Design and evaluation of novel Beta-3 adrenoreceptor agonists for potential antidepressant activity	Dr. Shakti Sahi	DST, India	Completed
8.	Design synthesis and evaluation of potent aminopeptidase inhibitors for malarial therapy	Dr. Shakti Sahi	DBT, India	Completed
9.	Cloning expression and structural studies on dihydrouridine synthase from <i>p. aeruginosa</i>	Dr. Nagendra Singh/ Dr. Imteyaz Qamar(Co-PI)	ICMR, India	Ongoing
10.	Structural basis of nickel transport in <i>k. Pneumoniae</i>	Dr. Nagendra Singh	ICMR, India	Ongoing
11.	Structural and functional characterization of SRrp508	Dr. Nagendra Singh/	CSIR India	Ongoing

12.	Therapeutic Aspect of Keratinocyte Growth Factor on Alveolar Regeneration in Emphysematous condition – Molecular Mechanism	Dr. Imteyaz Qamar(Co-PI) Dr. J. P. Moyal	DST, India	Completed
13.	Identification of Molecular Pathways in Alveoli Regeneration in an Established Emphysematous Lung: All Trans Retinoic Acid - A Way to Novel Therapy Option	Dr. J. P. Moyal	DBT, India	Completed
14.	Transcriptional and Functional Characterization of <i>Xenorhabdus nematophila</i> toxin-antitoxin (TA) modules.	Dr. J. S. Rathore	DST, India	Completed
15.	Transcriptional, functional and persister cell formation studies of novel identified <i>yefM-yoeB</i> , <i>ccdAB</i> and <i>hipAB</i> toxin-antitoxin modules from <i>Xenorhabdus nematophila</i>	Dr. J. S. Rathore	CSIR, India	Ongoing
16.	Genome scale fitness profiling of transposon mutant library for identification of novel components of Target of Rapamycin (TOR) signaling pathway.	Dr. Rekha Puria	DST, India	Completed
17.	Identification and validation of novel anticancer drug targets in target of rapamycin (TOR) signaling pathway	Dr. Rekha Puria	DBT, India	Completed
18.	Investigations on cell intrinsic and extrinsic factors involved in age- and disease- induced senescence of endothelial progenitor cells	Dr. Savneet Kaur	DST, India	Completed
19.	Investigations on the role of Hepatitis B virus X protein (HBx) in cancer stem cell-mediated initiation and progression of hepatocellular carcinoma	Dr. Savneet Kaur	DBT, India	Completed
20.	Contribution of angiogenesis and inflammation to fibrogenesis and regeneration in non-alcoholic fatty liver diseases (NAFLD)	Dr. Savneet Kaur	ICMR, India	Completed
21.	Development of Mega Nuclease for Targeted genome Engineering in rice	Dr. Vikrant Nain	DBT, India	Completed
22.	Development of drought tolerant rice by expression of RNA chaperon gene	Dr. Vikrant Nain	CSIR, India	Completed
23.	High throughput design, synthesis and validation of TALENs for targeted genome engineering	Dr. Vikrant Nain	DBT, India	Ongoing
