

GAUTAM BUDDHA UNIVERSITY

Greater Noida, Uttar Pradesh, 201312

Gautam Buddha University is established by the Uttar Pradesh Act (9) of 2002 (State Government University). It commenced its first academic session at Greater Noida in August 2008. The campus is modeled as a fully residential educational campus in line with the best institutions of higher learning across the globe. The University is recognized by the University Grants Commission under UGC Act and is a member of the Association of Indian Universities.

DEPARTMENT OF ECONOMICS, PLANNING, & DEVELOPMENT

The Department of Economics was established in 2011 and recorded consistent improvement in its academic, research and placement performance. It offers BA (Hons.) and MA Degree Course in Economics, innovatively designed programs whose curricula content are constantly updated to meet the changing requirement of the industry and to meet the needs of major stakeholders. During study at the department, the students are encouraged to get hands-on experience in the industry through internship projects with reputed organizations. In their curriculum, they are encouraged to take up mini projects to supplement theoretical knowledge with practical experience. They also undertake projects benefiting local industries or dealing with local problems. These projects enable them to understand the relevance of working in a group and also help them to realize the finer aspects and importance of teamwork.

VISION OF THE DEPARTMENT

The Economics Department of Gautam Buddha University takes pride in being among the best departments for the study of Economics at both undergraduate and postgraduate level. It comprises young and zestful faculty with diverse specializations and interests. The vision of the department of Economics, Planning and Development consists of exploring the economic study and analysis, policy framing and implementation issues faced by the Uttar Pradesh economy along with the analysis of other economies in the world. The department strives to reach standards of excellence in teaching, research and consultancy. Every year Students qualify the UGC-NET and JRF and UP Dashmottar Fellowship to continue their studies in Economics. Many of its alumni hold prominent positions both in academics and administrative spheres across the country and the world - a small testimony, perhaps, to the excellence of training that we provide to our students. The department of economics recognizes the growing demand for trained manpower in industry, government, research and other sectors as well as nurturing future researchers and specialists in economics. We are trying to meet this demand in a committed manner. The department also envisions achieving high standards of academic performance to provide quality education to students and to deal with economic, social and business realities.

The diversity of specializations of the departmental faculty has promoted multi- faceted research at the department and has brought a certain depth to the PG courses as well. The department offers a Master's (two years) course in economics (MA) in Economics. Every year we get overwhelming responses for our courses from all across India - the largest in all of social sciences within the University.

BA (HONS) IN ECONOMICS

The B.A. Economics (Honors) degree at the Gautam Buddha University aims to provide theoretical and practical knowledge that makes accurate analysis of the economic situation possible.

B.A. Economics graduates from GBU must be able to understand the interrelation between the economy and society: to consider economic problems from a global perspective and take a local approach to solve them; to make connections between an economic system's different components; to gauge the implications of decisions related to economic policy; and to respond to the economic problems arising from society in general and the different units that interact therein (e.g. institutions, private companies and sectors of the economy).

**Expert Lecture Conducted
At
Department of Economics, Planning, & Development**

**Topic-Scope of Research in Economics
On
13/05/22**

Department of Economics, Planning and Development, Gautam Buddha University, Uttar Pradesh, India organized an expert lecture on the ‘Scope of Research in Economics’ on May 13, 2022 in the Conference room. The program started at 9:30 am with the welcome address by Dr. Ombir Singh, Head of the Department, DOEPD. He highlighted the vision of the department and gave an insight of undergraduate and postgraduate level programmes. Subject expert, Dr. Devesh Birwal, Assistant Professor, Delhi School of Economics was the dignitary invited for the seminar. He welcomed all students and faculties and expressed his gratitude for the Dean School of Humanities and Social Sciences, Dr. Neeti Rana for giving an opportunity to organize a seminar on a theme relevant to the research. He emphasized on the unbiasedness in the field of research, also known as ethical research and quoted ‘Doing research is like doing justice as a judge’. He briefly introduced data collection methods, i.e. Primary and secondary data and highlighted the importance of different softwares like SPSS, STATA and R for data analysis and research. He said that research is a tedious job, however the payback is worth it, and briefed the future prospects of Economic research in RBI, World Bank, Niti Ayog and other institutions. He concluded the lecture laying out aspects of economics in different fields and encouraged students to pursue careers in Economics. This expert lecture was conducted under the direction of Dean School of Humanities and Social Sciences Dr. Neeti Rana. On this occasion, Dr. VK Shanwal (HOD Education), Dr. Roopali Srivastava(Programme Coordinator), Dr. Satpal, Ms. Divya Lohani, Ms. Anamika Singh, Ms. Dhvani Gupta and other faculty members were present.

BODHISATTVA DR. B.R. AMBEDKAR LIBRARY

Bodhisattva Dr. B.R.Ambedkar Library is the heart of academic and research activities of the Gautam Buddha University. It was constructed in 1.78 lacs sqft. and spread over a five story building. Established in 2008 and shifted to its new building in 2010 It has been catering to the needs of faculty members, research scholars, and students on campus effectively. It has huge volumes of books and e-journals which cover the disciplines of management, computer science, information technology, biotechnology, Humanities, and other related areas. The Central Library is fully automated with Libsys and RFID systems. The library is located on the outer circle of the schools as the background of Tathagat's statue. The library is well equipped with modern facilities, spacious stack halls, 2000-seating capacity reading hall, reference sections, catalog area, multiple loaning counters, and is managed by a highly dedicated team of professionals. The mission of Bodhisattva Dr. B.R.Ambedkar Library is to "provide high quality services in support of the teaching and research objectives of the University communities". The plans to remain open round the clock.

The Bodhisattva Dr. B. R.Ambedkar Library liaises with academic staff and researchers to identify the information needs of library users, procures material and provides services to make required information available, provides a conducive environment to study and research, and facilitates users with advice, assistance and skills training in using documents and information sources.

MEDITATION CENTER

About Mahatma Jyotiba Phule Dhyana Kendra, GBU

- In addition to curricular inputs the university is creating facilities to guide and shape Mahatma Jyotiba Phule Dhyana Kendra, inspired by stupa architecture, is a learning and retreat center to give an experience of the power of peace and inner silence.
- The center is looking forward to organizing seminars, lectures and experiential workshops in meditation, positive values, stress free living and self-management.
- It aims to help the residents at campus in recognizing their own inherent qualities and recollect their innermost potential. The meditation center facilitates the experience of the inner self through silence.
